Islip, NY – Islip Town Councilman Gene Parrington recently spent Earth Day with the kids at Bayview Elementary School, where everyone was busy lending a hand to keep the environment clean and healthy.

The Town of Islip's Keep Islip Clean (KIC) program provided the children with gloves and garbage bags to clean the school grounds and take care of the grass, plants, and flowers.

Pictured above are (back row, left to right) Rhoda Pratt, principal of Bayview Elementary; Dr. Beth Virginia Blau, West Islip Superintendent of Schools; Councilman Parrington; Nancy Cochran, KIC Executive Director; and Maureen Murphy, teacher.

Pictured below is Councilman Parrington as he helps the kids keep a flowerbed in top shape.
